Introduction

The Governing Board of LA's Promise Charter Schools has reviewed and adopted the following policies and procedures to ensure the most effective use of the funds of LA's Promise Charter Schools to support its mission and to ensure that the funds are budgeted, accounted for, expended and maintained appropriately.

Accounting Procedures

This section covers basic accounting procedures for the organization. The accounting procedures used by the organization shall conform to Generally Accepted Accounting Principles (GAAP) to ensure accuracy of information and compliance with external standards.

Basis of Accounting

Policy: The organization uses the accrual-basis of accounting at year-end, meaning that revenues are recorded when earned, and expenses are recorded when a liability is incurred regardless of when the receipt or payment of cash takes place.

Procedures:

- Throughout the fiscal year, revenue is recorded in the month in which it is received and expenses are recorded in the month in which they occur.
- At the close of the fiscal year, all revenue earned in the fiscal year, but not received is accrued. All expenses that have been incurred but not paid are also accrued. This ensures that that the year-end financial statements reflect all revenue earned and all expenses incurred during the fiscal year.
- Year-end books, inclusive of adjusting journal entries, are closed by December 15, the date by which the audit report must be submitted to the state controller and respective reporting agencies.

Bank Reconciliations

Policy: Bank reconciliation and approval will occur on a monthly basis.

Procedures:

- The ExED Accounting Associate or Senior Accounting Associate (AA/SAA) assigned to the organization will print the bank statements directly from the online banking system. If online banking is unavailable, the organization will make copies of the original statement available to ExED.
- The ExED AA/SAA will prepare the bank reconciliation.
- The Accounting Manager or Vice President, School Finance assigned to the organization will review and approve the bank reconciliation by initialing and dating the report.

Record Keeping

Policy: Financial records will be retained for a minimum of seven years or as outlined in the 990 policy.

Procedures:

- ExED will retain financial records, including transaction ledgers, canceled/duplicate checks, attendance and entitlement records, payroll record, and any other necessary fiscal documentation at its site until the prior year audit has been completed.
- ExED will deliver financial records to the organization for storage for the remaining years of the seven year retention period.
- At the discretion of the Governing Board or Chief Executive Officer (CEO), certain documentation may be maintained for a longer period of time.
- Financial records will be shredded at the end of their retention period.
- Backup copies of electronic and/or paper documentation should be stored in a secure location.

Internal Controls

The organization employs several safeguards to ensure that financial transactions are properly authorized, appropriated, executed and recorded.

All documentation related to financial matters will be completed by computer, typewriter, or ink. Completion by pencil is not permitted.
